

PETITION TO

THE MAYOR AND COUNCIL OF THE CITY OF THOMASTON AND

THE UPSON COUNTY BOARD OF COMMISSIONERS

We, the undersigned citizens of the City of Thomaston and Upson County, do hereby petition the Mayor and Council of the City of Thomaston and the Upson County Board of Commissioners to establish appropriate safeguards to ensure local mass surveillance technologies are operated in an open and transparent manner, prevent abuses of the system, and provide accountability for any government officer who attempts to abuse the system. We support the proposals contained in Mary Alice Adams' September 11, 2026, letter to the City Council and the Board of Commissioners.
